

SEASCAPE CERT PUBLIC AGENCY REPOSE DURING A DISASTER

Aptos/La Selva Fire Protection District 831-685-6690

Initial fire department resources and information will activate and form a "Department Operations Center" (DOC) to manage the incident.

Primary communication to this agency will be through telephone at 685-6690. Amateur radio information/broadcasts (HAM) will be set up if phones are down.

Santa Cruz County Sheriffs Office (831) 471-1121

The Sheriff's office is tasked with assisting local fire agencies in evacuation with the California Highway Patrol. Primary contact should be through the Sheriffs Field Office located near Safeway.

The Sheriffs Field Office will provide updates on current damage assessments as well as status reports of the incident to the Aptos Chamber. This agency plays a support role in incident management.

California Highway Patrol (831) 662-0511

California Highway Patrol plays a support role in managing incidents on state highway and county roads.

This agency will be assist coordinated evacuation of the Aptos area if needed. For certain incidents involving their jurisdictional authority, requests should filter through Aptos Fire.

Santa Cruz County Office of Emergency Services (OES) (831) 458-7150

OES is the lead agency for incident management. OES communicates damage assessment and resource needs through local jurisdiction up to and possibly including region, state, or federal agencies.

The Aptos La Selva Fire District relays requirements to the OES.
